It is hard to sum up the differences between a suit that is finely tailored and one that is just average. It is this that, - a host of little things taken together. just as it is partly manners—partly bearing—partly speech-that denotes the gentleman.

Best & Co. Suits are designed and tailored for gentleman's needs.

Just now our CRASH FLANNELS, Special \$28.50, are being enthusiastically received by young business and professional men who have the gentleman's perspective upon business and dress.

#### **BRONX WOMEN DEMOCRATS** HAVE A JOYOUS OUTING.

It Was Their First Experience and Leader Kane Was a Happy Politician.

Women politicians of the Brenx got heir first opportunity yesterday to attend one of those "hand-shaking, burythe hatchet" political outings, when Patrick J. Kane, Democratic head of the Third Assembly District, marched off as host to several thousand members of the district who gayly followed

him.

Heretofore these outings have been purely "stag" affairs, but the advent of women into politics has brought about a change. Just as a recent Bronz convention demonstrated that the women have learned some of the tricks of the politicians, yesterday's cuting showed that they have also mastered the art of mixing.

There were nearly 400 of the gentler sex at Duer Park, Whitestone, yesterday. They took part in the games and several of them won prizes. They had a good time.
